

Product selected: PAR 56 12V 300W

### Applications

- Swimming Pools
- Fountains

### Features

- Low voltage (12V) for safety reasons
- Heat resistant glass
- Sturdily constructed lamp absorbs mechanical shocks
- Wide beam

### Directions for use

- High running current (25A)

### Product Attributes

Item description	PAR 56 12V 300W
Ordering Code	9061532
EAN code	999999999999
Packing Quantity	12
Watt. (W)	300
Volt. (V)	12
Cap	Screw
Max. Over. Length (mm)	114
Diameter (mm)	178
Appr. Beam Spread (Hor. X Vert.)	50x25
Peak intensity (CD)	12000
Colour Temp (K)	2850
Average life (hours)	1000
Burning position (image)	S45
